8. Final Recommendation:

Authentication Score: 90/100 (highest possible score without a movement image)
Result: Very Likely Authentic
Certificate Eligibility: Not yet (≥95 required)
Appraised Market Value: \$18,500 - \$21,000 USD (as of 2025-08-19; Good condition; head-only)
Estimate based on recent sold comparables; box/papers may add 5–15% to value.

Scope & Limitations

This report is generated from user-supplied media using WatchCert's proprietary analysis informed by a reference library of 50,000+ official brand documents and verified comparables.

While WatchCert is designed to provide one of the most accurate remote assessments available, it remains an AI-assisted opinion based solely on images and metadata. It is not a certificate of authenticity and not for insurance, tax, or legal use.

Valuations are indicative estimates and not offers to buy or sell. The most reliable determination requires an in-person physical inspection by a qualified professional.

Provided "as is," without warranties; WatchCert and Four Leaf Clover Ventures disclaim liability for actions taken in reliance on this report.
